### Self-Introducing

Hallelujah! It's a great privilege to take this opportunity to introduce myself. My name is Vanchheng Soun. I am 30 years old and I'm from Battambang province, Cambodia. I am currently pursuing my Master of Divinity degree and teach Bible study in the Tree of Life Church. I am married and am a father to a son.

As I think of the blessings God has given us and the many beauties of the gospel of Jesus Christ, I am thankful for His wonderful love that He has chosen a wicked man like me to be His child. I was born in a Buddhism family. My parents and the whole family wanted to be a monk since I was a kid. I loved going to Pagoda with them and wished to be a monk. I also hated Christian that I broke the church windows few times as my culture is Buddhism. But by the grace on December 2007, I was 15 and went to join a Christmas event in my local church and I started to feel like Oh this is very good! I heard that Jesus loves me and gave His life for me and everyone on earth. Then I feel like Jesus is following me wherever I go. He loves me so much and I see His love day by day. I stop hating Christian and become a Christian since then.

In 2011, I joined a Local Seminary and God has done so many miracle things in my life. I offer Him whatever I could and never doubt in God. As I attended to join a Seminary as a Theological students, God has changed my entire life. When I was being at year 2, I was sent to a rural area to be an evangelist in a village which called OH SROLAO. There I spent 6 years of gathering more than 100 children to worship, sharing the Gospel to the people in the village, teaching English, Korean, and Music Instruments. I was very glad to do so as I could lead people from dark to light, Buddha to Jesus as the Savior. I am a preacher to my church and a guest speaker for some events in my province.

During I complete my course in Seminary, I worked as an English and Korean interpreter to the students in the class. I was also a part time English teacher to the Secondary students who want to learn more in the evening at Seminary. I love to have a small group with Seminary students to share and discuss about what we learnt from the class and encourage each other to keep going strong in faith. And every night I had a special worship service as a worshiper leader to gather seminary students to worship and pray. I love worshipping by singing and playing instrumentals. Moreover, I went out to share the boxes of rice to the homeless who live along the street. I shared the Gospel by what I have been doing.

I am now a year 3 of M.Div student in ACTS University. It's my final year to fulfill my dream in completing my degree and return to Cambodia for the missions as I have been called to do. I do really need more experiences to develop myself to become a good servant of God. Therefore, I pray to God to send me the helpers to support my liabilities in order continue to study. I won't give up, shut up, or let up until I have stayed up, stored up, prayed up, paid up, and preached up for the cause of Christ.

May the amazing grace, love, joy, mercy and peace of Jesus follow you, my dear friends in Christ!
